

COLUMBIA VALLEY

Mélange Blanc

2007

An artful wine with layers of fruit that that display a myriad of flavors from start to finish. This refreshing wine can be enjoyed with your favorite meal or on its own.

TASTING NOTES

Aromatic orange blossoms, honey soaked apricots and a touch of spice introduce you to this remarkable wine. Ripe apricots, peaches and honey dew dance around a creamy texture, meeting bright acidity on the mid-palate, leading to a clean, flavorful finish.
