SYRAH

YAKIMA VALLEY

The sunny slopes of the Yakima Valley foothills provide the perfect growing conditions for producing intensely flavored, balanced and complex wines such as Merlot, Cabernet Sauvignon, Chardonnay, Riesling, and Syrah. Long sun-drenched days and cool evenings in this desert climate yield bold, hearty, and luscious world-class wines.

TASTING NOTE

With a color that's impenetrably dark and enticing aromas of exotic spices, ripe fruit and sweet cedar, this wine is truly seductive. Rich on the palate, with a soft, lingering finish, it's a wine you'll savor again
