Inspired by the **steep slate slopes** in the famed **Mosel** region.

They are a **true expression** of the **land** and **people**

who share a **passion** and **commitment** for producing **Germany's finest** wines.

The Piesporter Goldtropchen Rieslings from the Vertikal Special Collection demonstrate why the Mosel Valley is known for Riesling. Using grapes sourced from the Goldtropchen vineyards in the village of Piesport, these Rieslings are made to perfection.
