CHARDONNAY

YAKIMA VALLEY

The sunny slopes of the Yakima Valley foothills provide the perfect growing conditions for producing intensely flavored, balanced and complex wines such as Merlot, Cabernet Sauvignon, Chardonnay, Riesling, and Syrah. Long sun-drenched days and cool evenings in this desert climate yield bold, hearty, and luscious world-class wines.

TASTING NOTE

Aromas of apples and vanilla bean followed by nuances of minerals present themselves on the nose. Medium bodied and crisp, this is a versatile wine that lends itself to many types of food in addition to a pre-dinner drink.
