## YAKIMA VALLEY

The sunny slopes of the Yakima Valley foothills provide the perfect growing conditions for producing intensely flavored, balanced and complex wines such as Merlot, Cabernet Sauvignon, Chardonnay, Riesling, and Syrah. Long sun-drenched days and cool evenings in this desert climate yield bold, hearty, and luscious world-class wines.

## TASTING NOTE

Ripe grapefruit, candied ginger and honey-suckle aromas mingle in the glass. The palate is rich and seductive, yet not without balanced acidity which drives these flavors from attack to finish effortlessly.
