RIEHLING

## YAKIMA VALLEY

The sunny slopes of the Yakima Valley foothills provide the perfect growing conditions for producing intensely flavored, balanced and complex wines such as Merlot, Cabernet Sauvignon, Chardonnay, Riesling, and Syrah. Long sun-drenched days and cool evenings in this desert climate yield bold, hearty, and luscious world-class wines.

## TASTING NOTE

Aromas of ripe pear, granny smith apples and mineral are evident, followed by nuances of yellow grapefruit and honey flower. Light bodied with a delicate balance between acid and sweetness, this wine delivers green apples and lime flavors up front with honeyed peach on the finish. Ready for Spring weather!
