CABERNET
SAUVIGNON

COLUMBIA VALLEY

Washington's success with vinifera grapes is due in large measure to the state's unique geography. The vineyards are planted on the east side of the Cascade Mountains which serve to protect the region from marine weather off the Pacific coast and limit rainfall to just 60 inches annually. Low rainfall and free-draining soils allow vineyard managers to control vine vigor in order to promote flavor development in the grapes. Warm daytime temperatures ripen fruit to perfection. Cool autumn nights protect the grapes natural acidity.

TASTING NOTE

Inviting aromas of blackberry, sweet cherry, blueberry and cedar spice. All of these carry onto the lush palate and linger through the supple finish, making this a Cab that's easy to enjoy.

BLEND

78% Cab Sauvignon
16% Merlot
6% Syrah

BOTTLING

pH: 3.64
TA: 0.57 g/mL
Alc: 13.5%
