## **SWEET RED**

Developed notes of ripe, summer berries are balanced by a slight sweetness. Showcasing true to fruit character with balanced acidity and a smooth finish, this wine tastes great chilled!

## **WINEMAKING**

Confectioner's Sweet Symphony brings the fruit background of red wine to the forefront of your palate. We begin with a unique variety of the finest vinifera grapes blended to create a harmonized symphony of rich fruit flavor. A touch of oak and a kiss of sweetness bring these fruit flavors bursting forth in jammy layers that explode across the palate.
