

GOODNESS GRAPE

SWEET RED WINE

Goodness Grape Juicy Red wine is a celebration of grapes sourced from sun-drenched vineyards. The grapes that go into these wines are picked at the peak of ripeness to maintain their sweet, delicious flavors.

TASTING NOTE

Pleasant dried berry aromas leads to a wonderful fruit filled palate. Developed notes of strawberries and raspberries are balanced by a medium sweet palate. Best when served chilled.

WINEMAKING

Goodness Grape is a fruit-forward blend of red wine with a touch of sweetness that burst across your palate. We begin with a unique blend of the finest vinifera grapes, add a touch of oak and sweetness to create a wholesome wine with rich fruit flavors.
