

RED DROP

SWEET RED WINE

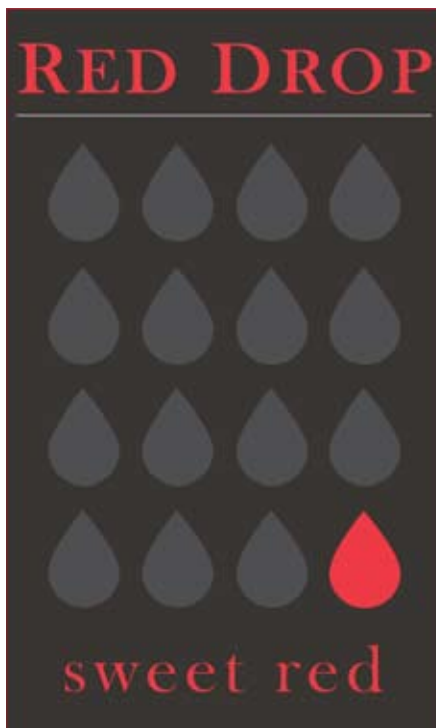

Savor plump, juicy red grapes grown in rich, sun-drenched vineyards and picked at the peak of ripeness. A luscious red wine with a touch of sweetness in every drop.

SWEET RED TASTING NOTE

Ripe blackberries and blueberries welcome you to this fragrant red wine. Juicy fruit flavors continue on the medium sweet palate rounded out with soft tannins. Showcasing true to fruit character with balanced acidity and a smooth finish, this wine should be enjoyed slightly chilled.

WINEMAKING

Made with the finest vinifera grape varieties, Red Drop is a unique blend of rich flavor balanced with natural sweetness. A touch of oak contributes vanilla-like sweet character and overall harmony.
