

# COCO Rosso

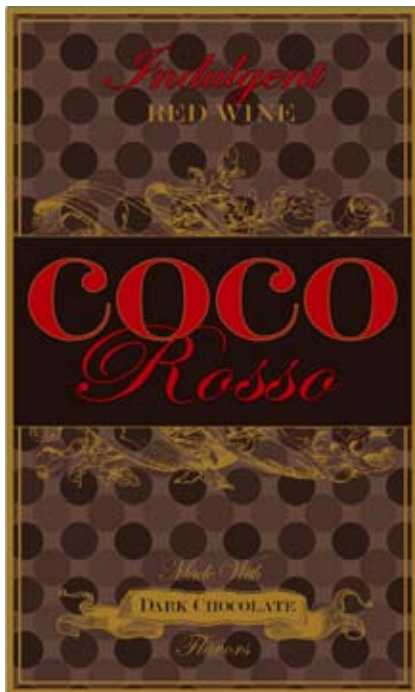

*Imagine* the finest red wine infused with indulgent dark chocolate to create a wine experience like no other. Delicately blended together, these two pairings create the perfect sweet red wine—Coco Rosso. Truly the best of both worlds!

## *Winemaking*

It's no mystery the chocolate and red wine make the perfect pairing. Coco Rosso takes that incredible pairing experience to the next level by combining smooth red wine with just a kiss of oak and silky, indulgent dark chocolate flavor to create the perfect balance of rich flavor.

## *Tasting Note*

Inviting chocolate covered cherry aromas tempt you as they swirl in the glass. These seductive flavors continue on the mouthwatering palate. Cocoa powder notes marry with traditional red wine flavors on the balanced finish.
