RIESLING

COLUMBIA VALLEY

Refreshing, tantalizing and delicious will come to mind after drinking a glass of this Riesling. On a hot summer day, nothing would be better.

TASTING NOTE
by Winemaker
JOHN FREEMAN

Crisp and refreshing with marrying aromatics and flavors of citrus, stone fruit, minerality and floral notes. Bright acidity balances the sweetness and leaves hints of honey on the long finish.

VINEYARD SOURCES

Smasne, Pleasant, Willow Crest

BLEND

100% Riesling

VINTAGE NOTE

Bud break was a bit later than normal for the 2009 vintage. However, due to a long, hot summer, the grapes had plenty of hang time and experienced an accelerated growth. Harvest began early and was completed quicker than normal. The shorter harvest was a blessing as most vineyards were not effected by the October 10th frost because picking was already complete. The 2009 wines promise great color, balanced acidity and well developed fruit flavors.

WINE MAKING NOTES

Harvest Date: October-November 2009

Yeast: Premier Cuvee

Malolactic: None
