

# PINE & POST

## *Sweet Harvest Chardonnay*

### *Washington State*

Washington's success with vinifera is due in large measure to the state's unique geography. The vineyards are planted on the east side of the Cascade Mountains, which serve to protect the region from marine weather off the Pacific coast and limit rainfall to just 6 - 8 inches annually. Low rainfall and free-draining soils allow vineyard managers to control vine vigor in order to promote flavor development in the grapes. Warm daytime temperatures ripen fruit to perfection. Cool autumn nights protect the grapes' natural acidity.

### *Tasting Note*

Inviting tropical fruit and pineapple notes swirl in the glass of this refreshing wine. Sweet flavors of poached pears and candied apples marry together on the palate. Crisp acidity balances the sweetness on the finish.

#### BLEND

88% Chardonnay  
10% Semillon  
2% Chenin Blanc

#### BOTTLING

pH: 3.50  
TA: 0.54  
Alc: 13.50%  
RS: 7.00%
