BOX OF CHOCOLATE

Chocolate Shop, The Chocolate Lover's Wine, takes the perfect pairing - Chocolate & Wine - to the next level, marrying fine wine & rich, velvety chocolate to create an indulgent wine experience like no other.

TASTING NOTE CHOCOLATE RED WINE

Inviting aromas of black cherry and dark chocolate entwine and continue on the palate surrounded by hints of cocoa powder. Nuances of red wine and residual sugar linger on the smooth finish.

WINEMAKING

The Original Chocolate Shop is now available in a 1.5 L. Box of Chocolate brings you more rich, velvety chocolate and deep, ruby red wine. We start with a proprietary red blend of the finest vinifera varieties, add a touch of oak and a kiss of sweetness to create the perfect fruit-driven foil for the rich dark chocolate which unfolds in silken layers across the palate.
