

## 2006 Cabernet Sauvignon

*Yakima Valley, WA*

# 92 points

“The supple and balanced Apex is a good example of the the state’s typical style of Cabernet Sauvignon, which tends to have ripe fruit flavors and good acidity. **Lithe and and distinctive for its impeccable balance** of berry, earth earth and herb flavors, with fine tannins and a lively tang of tang of acidity to support the richness. **This has depth and and elegance.**”
