PURE HEAVEN

Chocolate Shop, The Chocolate Lover's Wine, takes the perfect pairing - Chocolate & Wine - to the next level, marrying fine wine & rich, velvety chocolate to create an indulgent wine experience like no other.

TASTING NOTE

Bright, ruby red-colored wine with high tones of freshly picked strawberries and an undercurrent of dark fruit and cocoa. Strawberries and chocolate individually delight the palate; when combined, they reach another level of decadence. Smooth and balanced wine with lingering notes of strawberry on the finish.

WINEMAKING

Imagine chocolate covered strawberries and the finest red wine all in one sumptuous drink. Our chocolatier winemaker has achieved the next great pairing – a red wine blend made from only the finest vinifera grapes delicately blended with dark chocolate and natural strawberry flavors. The result is layer after intriguing layer of intense ripe strawberries and deep, dark chocolate.
